Patient Instructions:

You have been referred to us for the specialized care of an Oral and Maxillofacial Surgeon. Our office will make every effort to make your visit with us a comfortable experience. To help us better assist you, please provide the following information at the time of your consultation:

- Your surgical referral slip and x-rays, if applicable
- A list of medications you are presently taking
- If you have any medical or dental insurance, bring the necessary completed forms. This will save time and allow us to help you process any claims

Please Remember:

- Do not eat or drink anything for at least six (6) hours prior to your appointment if you are undergoing sedation.
- Make arrangements for an adult to stay at the office during your surgery and drive you home

A pre-operative consultation and physical examination is mandatory for patients undergoing IV general anesthesia for surgery. Please make sure to alert our office if you have any existing medical condition that may be of concern prior to surgery.

We are determined to address any concerns you may have about your appointment. If you have any questions, please feel free to contact us so we can help you.
